Hello friend,

My name is Peter Novak. I am nine. I live with my family in Prague. My family is big. In the family there are the parents, the grandmother, the grandfather, my sister Ann, my brothers James and Paul.

My mother is Kate Novak. She is thirty. She is a shop assistant. She loves music and cinema. She also goes to the countryside. So the whole family goes on trips every weekend. My Mum is nice. She has got short hair, blue eyes and a nice smile. My Mum likes sport. She likes wearing a shirt and jeans. Her favourite color is yellow.

My father is Peter Novak, as me. He is thirty-three. He is a doctor and cures animals. He is a vet. Therefore, we have very many animals at home. My father is tall and slim. His hair is brown and eyes

are blue. At work he wears a white dress. At home he wears T-shirt and black jeans. He often rides the bike.

My sister Ann is fifteen. She is in the ninth grade. She likes drawing and dancing. My sister is modern. She has got fair and long hair, green eyes. Every day she wears a short skirt and a colour blouse.

Paul and James are twins. They are five. They go to kindergarten. They have lots of toys. Their favourite toys are a car and a teddy bear. They have black short hair, blue eyes, striped shirts and brown trousers.

At home we have a dog, a cat, a tropical fish, a hamster and a colour parrot.

Write me, please, about your family.

Your friend Peter

Draw family Novak.
